

California Business and Profession Codes

§ 12.5. Whenever in any provision of this code authority is granted to issue a citation for a violation of any provision of this code, that authority also includes the authority to issue a citation for the violation of any regulation adopted pursuant to any provision of this code.

§ 23.9. Notwithstanding any other provision of this code, any individual who, while imprisoned in a state prison or other correctional institution, is trained, in the course of a rehabilitation program approved by the particular licensing agency concerned and provided by the prison or other correctional institution, in a particular skill, occupation, or profession for which a state license, certificate, or other evidence of proficiency is required by this code shall not, when released from the prison or institution, be denied the right to take the next regularly scheduled state examination or any examination thereafter required to obtain the license, certificate, or other evidence of proficiency and shall not be denied such license, certificate, or other evidence of proficiency, because of his imprisonment or the conviction from which the imprisonment resulted, or because he obtained his training in prison or in the correctional institution, if the licensing agency, upon recommendation of the Adult Authority or the Department of the Youth Authority, as the case may be, finds that he is a fit person to be licensed.

§ 29.5. In addition to other qualifications for licensure prescribed by the various acts of boards under the department, applicants for licensure and licensees renewing their licenses shall also comply with Section 17520 of the Family Code.

§ 30. (a) Notwithstanding any other provision of law, any board, as defined in Section 22, and the State Bar and the Department of Real Estate shall at the time of issuance of the license require that the licensee provide its federal employer identification number, if the licensee is a partnership, or his or her social security number for all others.

(b) Any licensee failing to provide the federal identification number or social security number shall be reported by the licensing board to the Franchise Tax Board and, if failing to provide after notification pursuant to paragraph (1) of subdivision (b) of Section 19528 of the Revenue and Taxation Code, shall be subject to the penalty provided in paragraph (2) of subdivision (b) of Section 19528 of the Revenue and Taxation Code.

(c) In addition to the penalty specified in subdivision (b), a licensing board may not process any application for an original license unless the applicant or licensee provides its federal employer identification number or social security number where requested on the application.

(d) A licensing board shall, upon request of the Franchise Tax Board, furnish to the Franchise Tax Board the following information with respect to every licensee:

(1) Name.

(2) Address or addresses of record.

(3) Federal employer identification number if the entity is a partnership or social security number for all others.

- (4) Type of license.
- (5) Effective date of license or a renewal.
- (6) Expiration date of license.
- (7) Whether license is active or inactive, if known.
- (8) Whether license is new or a renewal.
- (e) For the purposes of this section:
 - (1) "Licensee" means any entity, other than a corporation, authorized by a license, certificate, registration, or other means to engage in a business or profession regulated by this code or referred to in Section 1000 or 3600.
 - (2) "License" includes a certificate, registration, or any other authorization needed to engage in a business or profession regulated by this code or referred to in Section 1000 or 3600.
 - (3) "Licensing board" means any board, as defined in Section 22, the State Bar, and the Department of Real Estate.
 - (f) The reports required under this section shall be filed on magnetic media or in other machine-readable form, according to standards furnished by the Franchise Tax Board.
 - (g) Licensing boards shall provide to the Franchise Tax Board the information required by this section at a time that the Franchise Tax Board may require.
 - (h) Notwithstanding Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code, the social security number and federal employer identification number furnished pursuant to this section shall not be deemed to be a public record and shall not be open to the public for inspection.
 - (i) Any deputy, agent, clerk, officer, or employee of any licensing board described in subdivision (a), or any former officer or employee or other individual who in the course of his or her employment or duty has or has had access to the information required to be furnished under this section, may not disclose or make known in any manner that information, except as provided in this section to the Franchise Tax Board or as provided in subdivision (k).
 - (j) It is the intent of the Legislature in enacting this section to utilize the social security account number or federal employer identification number for the purpose of establishing the identification of persons affected by state tax laws and for purposes of compliance with Section 17520 of the Family Code and, to that end, the information furnished pursuant to this section shall be used exclusively for those purposes.
 - (k) If the board utilizes a national examination to issue a license, and if a reciprocity agreement or comity exists between the State of California and the state requesting release of the social security number, any deputy, agent, clerk, officer, or employee of any licensing board described in subdivision (a) may release a social security number to an examination or licensing entity, only for the purpose of verification of licensure or examination status.
 - (l) For the purposes of enforcement of Section 17520 of the Family Code, and notwithstanding any other provision of law, any board, as defined in Section 22, and the State Bar and the Department of Real Estate shall at the time of issuance of the license require that each licensee provide the social security number of each individual listed on the license and any person who qualifies the license. For the purposes of this subdivision, "licensee" means any entity that is issued a license by any board, as defined in Section 22, the State Bar, the Department of Real Estate, and the Department of Motor Vehicles.

§ 31. (a) As used in this section, "board" means any entity listed in Section 101, the entities referred to in Sections 1000 and 3600, the State Bar, the Department of Real Estate, and any other state agency

that issues a license, certificate, or registration authorizing a person to engage in a business or profession.

(b) Each applicant for the issuance or renewal of a license, certificate, registration, or other means to engage in a business or profession regulated by a board who is not in compliance with a judgment or order for support shall be subject to Section 17520 of the Family Code.

(c) "Compliance with a judgment or order for support" has the meaning given in paragraph (4) of subdivision (a) of Section 17520 of the Family Code.

§ 35. It is the policy of this state that, consistent with the provision of high-quality services, persons with skills, knowledge, and experience obtained in the armed services of the United States should be permitted to apply this learning and contribute to the employment needs of the state at the maximum level of responsibility and skill for which they are qualified. To this end, rules and regulations of boards provided for in this code shall provide for methods of evaluating education, training, and experience obtained in the armed services, if applicable to the requirements of the business, occupation, or profession regulated. These rules and regulations shall also specify how this education, training, and experience may be used to meet the licensure requirements for the particular business, occupation, or profession regulated. Each board shall consult with the Department of Veterans Affairs and the Military Department before adopting these rules and regulations. Each board shall perform the duties required by this section within existing budgetary resources of the agency within which the board operates.

§ 104. All boards or other regulatory entities within the department's jurisdiction that the department determines to be health-related may adopt regulations to require licensees to display their licenses or registrations in the locality in which they are treating patients, and to inform patients as to the identity of the regulatory agency they may contact if they have any questions or complaints regarding the licensee. In complying with this requirement, those boards may take into consideration the particular settings in which licensees practice, or other circumstances which may make the displaying or providing of information to the consumer extremely difficult for the licensee in their particular type of practice.

§ 114. (a) Notwithstanding any other provision of this code, any licensee or registrant of any board, commission, or bureau within the department, whose license expired while the licensee or registrant was on active duty as a member of the California National Guard or the United States Armed Forces, may, upon application, reinstate his or her license or registration without examination or penalty; provided,

(1) His or her license or registration was valid at the time he or she entered the California National Guard or the United States Armed Forces.

(2) The application for reinstatement is made while serving in the California National Guard or the United States Armed Forces, or not later than one year from the date of discharge from active service or return to inactive military status.

(3) The application for reinstatement is accompanied by an affidavit showing the date of entrance into the service, whether still in the service, or date of discharge, and the renewal fee for the current renewal period in which the application is filed is paid.

(b) If application for reinstatement is filed more than one year after discharge or return to inactive status, the applicant, in the discretion of the licensing agency, may be required to pass an examination.

(c) If application for reinstatement is filed and the licensing agency determines that the applicant has not actively engaged in the practice of his or her profession while on active duty, then the licensing agency may require the applicant to pass an examination.

(d) Unless otherwise specifically provided in this code, any licensee or registrant who, either part time or full time, practices in this state the profession or vocation for which he or she is licensed or registered shall be required to maintain his or her license in good standing even though he or she is in military service.

For the purposes in this section, time spent by a licensee in receiving treatment or hospitalization in any veterans' facility during which he or she is prevented from practicing his or her profession or vocation shall be excluded from said period of one year.

§ 115. The provisions of Section 114 of this code are also applicable to a licensee or registrant whose license or registration was obtained while in the armed services.

§ 119. Any person who does any of the following is guilty of a misdemeanor:

(a) Displays or causes or permits to be displayed or has in his or her possession either of the following:

(1) A canceled, revoked, suspended, or fraudulently altered license.

(2) A fictitious license or any document simulating a license or purporting to be or have been issued as a license.

(b) Lends his or her license to any other person or knowingly permits the use thereof by another.

(c) Displays or represents any license not issued to him or her as being his or her license.

(d) Fails or refuses to surrender to the issuing authority upon its lawful written demand any license, registration, permit, or certificate which has been suspended, revoked, or canceled.

(e) Knowingly permits any unlawful use of a license issued to him or her.

(f) Photographs, photostats, duplicates, manufactures, or in any way reproduces any license or facsimile thereof in a manner that it could be mistaken for a valid license, or displays or has in his or her possession any such photograph, photostat, duplicate, reproduction, or facsimile unless authorized by this code.

(g) Buys or receives a fraudulent, forged, or counterfeited license knowing that it is fraudulent, forged, or counterfeited. For purposes of this subdivision, "fraudulent" means containing any misrepresentation of fact.

As used in this section, "license" includes "certificate," "permit," "authority," and "registration" or any other indicia giving authorization to engage in a business or profession regulated by this code or referred to in Section 1000 or 3600.

§ 121. No licensee who has complied with the provisions of this code relating to the renewal of his or her license prior to expiration of such license shall be deemed to be engaged illegally in the practice of his or her business or profession during any period between such renewal and receipt of evidence of such renewal which may occur due to delay not the fault of the applicant.

As used in this section, "license" includes "certificate," "permit," "authorization," and "registration," or any other indicia giving authorization, by any agency, board, bureau, commission, committee, or entity within the Department of Consumer Affairs, to engage in a business or profession regulated by this code or by the board referred to in the Chiropractic Act or the Osteopathic Act.

§ 121.5. Except as otherwise provided in this code, the application of delinquency fees or accrued and unpaid renewal fees for the renewal of expired licenses or registrations shall not apply to licenses or registrations that have lawfully been designated as inactive or retired.

§ 125. Any person, licensed under Division 1 (commencing with Section 100), Division 2 (commencing with Section 500), or Division 3 (commencing with Section 5000) is guilty of a misdemeanor and subject to the disciplinary provisions of this code applicable to him or her, who conspires with a person not so licensed to violate any provision of this code, or who, with intent to aid or assist that person in violating those provisions does either of the following:

- (a) Allows his or her license to be used by that person.
- (b) Acts as his or her agent or partner.

§ 125.6. (a) (1) With regard to an applicant, every person who holds a license under the provisions of this code is subject to disciplinary action under the disciplinary provisions of this code applicable to that person if, because of any characteristic listed or defined in subdivision (b) or (e) of Section 51 of the Civil Code, he or she refuses to perform the licensed activity or aids or incites the refusal to perform that licensed activity by another licensee, or if, because of any characteristic listed or defined in subdivision (b) or (e) of Section 51 of the Civil Code, he or she makes any discrimination, or restriction in the performance of the licensed activity.

(2) Nothing in this section shall be interpreted to prevent a physician or health care professional licensed pursuant to Division 2 (commencing with Section 500) from considering any of the characteristics of a patient listed in subdivision (b) or (e) of Section 51 of the Civil Code if that consideration is medically necessary and for the sole purpose of determining the appropriate diagnosis or treatment of the patient.

(3) Nothing in this section shall be interpreted to apply to discrimination by employers with regard to employees or prospective employees, nor shall this section authorize action against any club license issued pursuant to Article 4 (commencing with Section 23425) of Chapter 3 of Division 9 because of discriminatory membership policy.

(4) The presence of architectural barriers to an individual with physical disabilities that conform to applicable state or local building codes and regulations shall not constitute discrimination under this section.

(b) (1) Nothing in this section requires a person licensed pursuant to Division 2 (commencing with Section 500) to permit an individual to participate in, or benefit from, the licensed activity of the licensee where that individual poses a direct threat to the health or safety of others. For this purpose, the term "direct threat" means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices, or procedures or by the provision of auxiliary aids and services.

(2) Nothing in this section requires a person licensed pursuant to Division 2 (commencing with Section 500) to perform a licensed activity for which he or she is not qualified to perform.

(c) (1) "Applicant," as used in this section, means a person applying for licensed services provided by a person licensed under this code.

(2) "License," as used in this section, includes "certificate," "permit," "authority," and "registration" or any other indicia giving authorization to engage in a business or profession regulated by this code.

§ 136. (a) Each person holding a license, certificate, registration, permit, or other authority to engage in a profession or occupation issued by a board within the department shall notify the issuing board at

its principal office of any change in his or her mailing address within 30 days after the change, unless the board has specified by regulations a shorter time period.

(b) Except as otherwise provided by law, failure of a licensee to comply with the requirement in subdivision (a) constitutes grounds for the issuance of a citation and administrative fine, if the board has the authority to issue citations and administrative fines.

§ 137. Any agency within the department may promulgate regulations requiring licensees to include their license numbers in any advertising, soliciting, or other presentments to the public.

However, nothing in this section shall be construed to authorize regulation of any person not a licensee who engages in advertising, solicitation, or who makes any other presentment to the public on behalf of a licensee. Such a person shall incur no liability pursuant to this section for communicating in any advertising, soliciting, or other presentment to the public a licensee's license number exactly as provided to him by the licensee or for failure to communicate such number if none is provided to him by the licensee.

§ 140. Any board, as defined in Section 22, which is authorized under this code to take disciplinary action against a person who holds a license may take disciplinary action upon the ground that the licensee has failed to record and preserve for not less than three years, any and all cash transactions involved in the payment of employee wages by a licensee. Failure to make these records available to an authorized representative of the board may be made grounds for disciplinary action. In any action brought and sustained by the board which involves a violation of this section and any regulation adopted thereto, the board may assess the licensee with the actual investigative costs incurred, not to exceed two thousand five hundred dollars (\$2,500). Failure to pay those costs may result in revocation of the license. Any moneys collected pursuant to this section shall be deposited in the respective fund of the board.

§ 141. (a) For any licensee holding a license issued by a board under the jurisdiction of the department, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by the California license, may be a ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.

(b) Nothing in this section shall preclude a board from applying a specific statutory provision in the licensing act administered by that board that provides for discipline based upon a disciplinary action taken against the licensee by another state, an agency of the federal government, or another country.

§ 143. (a) No person engaged in any business or profession for which a license is required under this code governing the department or any board, bureau, commission, committee, or program within the department, may bring or maintain any action, or recover in law or equity in any action, in any court of this state for the collection

of compensation for the performance of any act or contract for which a license is required without alleging and proving that he or she was duly licensed at all times during the performance of that act or contract, regardless of the merits of the cause of action brought by the person.

(b) The judicial doctrine of substantial compliance shall not apply to this section.

(c) This section shall not apply to an act or contract that is considered to qualify as lawful practice of a licensed occupation or profession pursuant to Section 121.

§ 163.5. Except as otherwise provided by law, the delinquency, penalty, or late fee for any licensee within the Department of Consumer Affairs shall be 50 percent of the renewal fee for such license in effect on the date of the renewal of the license, but not less than twenty-five dollars (\$25) nor more than one hundred fifty dollars (\$150).

A delinquency, penalty, or late fee shall not be assessed until 30 days have elapsed from the date that the licensing agency mailed a notice of renewal to the licensee at the licensee's last known address of record. The notice shall specify the date for timely renewal, and that failure to renew in a timely fashion shall result in the assessment of a delinquency, penalty, or late fee.

In the event a reinstatement or like fee is charged for the reinstatement of a license, the reinstatement fee shall be 150 percent of the renewal fee for such license in effect on the date of the reinstatement of the license, but not more than twenty-five dollars (\$25) in excess of the renewal fee, except that in the event that such a fee is fixed by statute at less than 150 percent of the renewal fee and less than the renewal fee plus twenty-five dollars (\$25), the fee so fixed shall be charged.

§ 461. No public agency, state or local, shall, on an initial application form for any license, certificate or registration, ask for or require the applicant to reveal a record of arrest that did not result in a conviction or a plea of nolo contendere. A violation of this section is a misdemeanor.

This section shall apply in the case of any license, certificate or registration provided for by any law of this state or local government, including, but not limited to, this code, the Corporations Code, the Education Code, and the Insurance Code.

§ 462. (a) Any of the boards, bureaus, commissions, or programs within the department may establish, by regulation, a system for an inactive category of licensure for persons who are not actively engaged in the practice of their profession or vocation.

(b) The regulation shall contain the following provisions:

(1) The holder of an inactive license issued pursuant to this section shall not engage in any activity for which a license is required.

(2) An inactive license issued pursuant to this section shall be renewed during the same time period in which an active license is renewed. The holder of an inactive license need not comply with any continuing education requirement for renewal of an active license.

(3) The renewal fee for a license in an active status shall apply also for a renewal of a license in an inactive status, unless a lesser renewal fee is specified by the board.

(4) In order for the holder of an inactive license issued pursuant to this section to restore his or her license to an active status, the holder of an inactive license shall comply with all the following:

(A) Pay the renewal fee.

(B) If the board requires completion of continuing education for renewal of an active license, complete continuing education equivalent to that required for renewal of an active license, unless a different requirement is specified by the board.

(c) This section shall not apply to any healing arts board as specified in Section 701.

§ 475. (a) Notwithstanding any other provisions of this code, the provisions of this division shall govern the denial of licenses on the grounds of:

(1) Knowingly making a false statement of material fact, or knowingly omitting to state a material fact, in an application for a license.

(2) Conviction of a crime.

(3) Commission of any act involving dishonesty, fraud or deceit with the intent to substantially benefit himself or another, or substantially injure another.

(4) Commission of any act which, if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.

(b) Notwithstanding any other provisions of this code, the provisions of this division shall govern the suspension and revocation of licenses on grounds specified in paragraphs (1) and (2) of subdivision (a).

(c) A license shall not be denied, suspended, or revoked on the grounds of a lack of good moral character or any similar ground relating to an applicant's character, reputation, personality, or habits.

§ 480. (a) A board may deny a license regulated by this code on the grounds that the applicant has one of the following:

(1) Been convicted of a crime. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code.

(2) Done any act involving dishonesty, fraud, or deceit with the intent to substantially benefit himself or herself or another, or substantially injure another.

(3) (A) Done any act that if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.

(B) The board may deny a license pursuant to this subdivision only if the crime or act is substantially related to the qualifications, functions, or duties of the business or profession for which application is made.

(b) Notwithstanding any other provision of this code, no person shall be denied a license solely on the basis that he or she has been convicted of a felony if he or she has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code or that he or she has been convicted of a misdemeanor if he or she has met all applicable requirements of the criteria of rehabilitation developed by the board to evaluate the rehabilitation of a person when considering the denial of a license under subdivision (a) of Section 482.

(c) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact required to be revealed in the application for the license.

§ 484. No person applying for licensure under this code shall be required to submit to any licensing board any attestation by other persons to his good moral character.

§ 485. Upon denial of an application for a license under this chapter or Section 496, the board shall do either of the following:

(a) File and serve a statement of issues in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(b) Notify the applicant that the application is denied, stating (1) the reason for the denial, and (2) that the applicant has the right to a hearing under Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code if written request for hearing is made within 60 days after service of the notice of denial. Unless written request for hearing is made within the 60-day period, the applicant's right to a hearing is deemed waived.

Service of the notice of denial may be made in the manner authorized for service of summons in civil actions, or by registered mail addressed to the applicant at the latest address filed by the applicant in writing with the board in his or her application or otherwise. Service by mail is complete on the date of mailing.

§ 487. If a hearing is requested by the applicant, the board shall conduct such hearing within 90 days from the date the hearing is requested unless the applicant shall request or agree in writing to a postponement or continuance of the hearing. Notwithstanding the above, the Office of Administrative Hearings may order, or on a showing of good cause, grant a request for, up to 45 additional days within which to conduct a hearing, except in cases involving alleged examination or licensing fraud, in which cases the period may be up to 180 days. In no case shall more than two such orders be made or requests be granted.

§ 489. Any agency in the department which is authorized by law to deny an application for a license upon the grounds specified in Section 480 or 496, may without a hearing deny an application upon any of those grounds, if within one year previously, and after proceedings conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, that agency has denied an application from the same applicant upon the same ground.

§ 490. (a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.

(c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. An action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section has been made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant number of statutes and regulations in question, resulting in potential harm to the consumers of California from licensees who have been convicted of crimes. Therefore, the Legislature finds and declares that this section establishes an independent basis for a board to impose discipline upon a licensee, and that the amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change to, but rather are declaratory of, existing law.

§ 490.5. A board may suspend a license pursuant to Section 17520 of the Family Code if a licensee is not in compliance with a child support order or judgment.

§ 491. Upon suspension or revocation of a license by a board on one or more of the grounds specified in Section 490, the board shall:

- (a) Send a copy of the provisions of Section 11522 of the Government Code to the ex-licensee.
- (b) Send a copy of the criteria relating to rehabilitation formulated under Section 482 to the ex-licensee.

§ 494. (a) A board or an administrative law judge sitting alone, as provided in subdivision (h), may, upon petition, issue an interim order suspending any licentiate or imposing license restrictions, including, but not limited to, mandatory biological fluid testing, supervision, or remedial training. The petition shall include affidavits that demonstrate, to the satisfaction of the board, both of the following:

(1) The licentiate has engaged in acts or omissions constituting a violation of this code or has been convicted of a crime substantially related to the licensed activity.

(2) Permitting the licentiate to continue to engage in the licensed activity, or permitting the licentiate to continue in the licensed activity without restrictions, would endanger the public health, safety, or welfare.

(b) No interim order provided for in this section shall be issued without notice to the licentiate unless it appears from the petition and supporting documents that serious injury would result to the public before the matter could be heard on notice.

(c) Except as provided in subdivision (b), the licentiate shall be given at least 15 days' notice of the hearing on the petition for an interim order. The notice shall include documents submitted to the board in support of the petition. If the order was initially issued without notice as provided in subdivision (b), the licentiate shall be entitled to a hearing on the petition within 20 days of the issuance of the interim order without notice. The licentiate shall be given notice of the hearing within two days after issuance of the initial interim order, and shall receive all documents in support of the petition. The failure of the board to provide a hearing within 20 days following the issuance of the interim order without notice, unless the licentiate waives his or her right to the hearing, shall result in the dissolution of the interim order by operation of law.

(d) At the hearing on the petition for an interim order, the licentiate may:

(1) Be represented by counsel.

(2) Have a record made of the proceedings, copies of which shall be available to the licentiate upon payment of costs computed in accordance with the provisions for transcript costs for judicial review contained in Section 11523 of the Government Code.

(3) Present affidavits and other documentary evidence.

(4) Present oral argument.

(e) The board, or an administrative law judge sitting alone as provided in subdivision (h), shall issue a decision on the petition for interim order within five business days following submission of the matter. The standard of proof required to obtain an interim order pursuant to this section shall be a preponderance of the evidence standard. If the interim order was previously issued without notice, the board shall determine whether the order shall remain in effect, be dissolved, or modified.

(f) The board shall file an accusation within 15 days of the issuance of an interim order. In the case of an interim order issued without notice, the time shall run from the date of the order issued after the noticed hearing. If the licentiate files a Notice of Defense, the hearing shall be held within 30 days of the agency's receipt of the Notice of Defense. A decision shall be rendered on the accusation no later than 30 days after submission of the matter.

Failure to comply with any of the requirements in this subdivision shall dissolve the interim order by operation of law.

(g) Interim orders shall be subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure and shall be heard only in the superior court in and for the Counties of Sacramento, San Francisco, Los Angeles, or San Diego. The review of an interim order shall be limited to a determination of whether the board abused its

discretion in the issuance of the interim order. Abuse of discretion is established if the respondent board has not proceeded in the manner required by law, or if the court determines that the interim order is not supported by substantial evidence in light of the whole record.

(h) The board may, in its sole discretion, delegate the hearing on any petition for an interim order to an administrative law judge in the Office of Administrative Hearings. If the board hears the noticed petition itself, an administrative law judge shall preside at the hearing, rule on the admission and exclusion of evidence, and advise the board on matters of law. The board shall exercise all other powers relating to the conduct of the hearing but may delegate any or all of them to the administrative law judge. When the petition has been delegated to an administrative law judge, he or she shall sit alone and exercise all of the powers of the board relating to the conduct of the hearing. A decision issued by an administrative law judge sitting alone shall be final when it is filed with the board. If the administrative law judge issues an interim order without notice, he or she shall preside at the noticed hearing, unless unavailable, in which case another administrative law judge may hear the matter. The decision of the administrative law judge sitting alone on the petition for an interim order is final, subject only to judicial review in accordance with subdivision (g).

(i) Failure to comply with an interim order issued pursuant to subdivision (a) or (b) shall constitute a separate cause for disciplinary action against any licensee, and may be heard at, and as a part of, the noticed hearing provided for in subdivision (f).

Allegations of noncompliance with the interim order may be filed at any time prior to the rendering of a decision on the accusation. Violation of the interim order is established upon proof that the licensee was on notice of the interim order and its terms, and that the order was in effect at the time of the violation. The finding of a violation of an interim order made at the hearing on the accusation shall be reviewed as a part of any review of a final decision of the agency.

If the interim order issued by the agency provides for anything less than a complete suspension of the licensee from his or her business or profession, and the licensee violates the interim order prior to the hearing on the accusation provided for in subdivision (f), the agency may, upon notice to the licensee and proof of violation, modify or expand the interim order.

(j) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to be a conviction within the meaning of this section. A certified record of the conviction shall be conclusive evidence of the fact that the conviction occurred. A board may take action under this section notwithstanding the fact that an appeal of the conviction may be taken.

(k) The interim orders provided for by this section shall be in addition to, and not a limitation on, the authority to seek injunctive relief provided in any other provision of law.

(l) In the case of a board, a petition for an interim order may be filed by the executive officer. In the case of a bureau or program, a petition may be filed by the chief or program administrator, as the case may be.

(m) "Board," as used in this section, shall include any agency described in Section 22, and any allied health agency within the jurisdiction of the Medical Board of California. Board shall also include the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners. The

provisions of this section shall not be applicable to the Medical Board of California, the Board of Podiatric Medicine, or the State Athletic Commission.

§ 495. Notwithstanding any other provision of law, any entity authorized to issue a license or certificate pursuant to this code may publicly reprove a licentiate or certificate holder thereof, for any act that would constitute grounds to suspend or revoke a license or certificate. Any proceedings for public reproof, public reproof and suspension, or public reproof and revocation shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, or, in the case of a licensee or certificate holder under the jurisdiction of the State Department of Health Services, in accordance with Section 100171 of the Health and Safety Code.

§ 496. A board may deny, suspend, revoke, or otherwise restrict a license on the ground that an applicant or licensee has violated Section 123 pertaining to subversion of licensing examinations.

§ 498. A board may revoke, suspend, or otherwise restrict a license on the ground that the licensee secured the license by fraud, deceit, or knowing misrepresentation of a material fact or by knowingly omitting to state a material fact.

§ 499. A board may revoke, suspend, or otherwise restrict a license on the ground that the licensee, in support of another person's application for license, knowingly made a false statement of a material fact or knowingly omitted to state a material fact to the board regarding the application.

§ 510. (a) The purpose of this section is to provide protection against retaliation for health care practitioners who advocate for appropriate health care for their patients pursuant to *Wickline v. State of California* 192 Cal. App. 3d 1630.

(b) It is the public policy of the State of California that a health care practitioner be encouraged to advocate for appropriate health care for his or her patients. For purposes of this section, "to advocate for appropriate health care" means to appeal a payer's decision to deny payment for a service pursuant to the reasonable grievance or appeal procedure established by a medical group, independent practice association, preferred provider organization, foundation, hospital medical staff and governing body, or payer, or to protest a decision, policy, or practice that the health care practitioner, consistent with that degree of learning and skill ordinarily possessed by reputable health care practitioners with the same license or certification and practicing according to the applicable legal standard of care, reasonably believes impairs the health care practitioner's ability to provide appropriate health care to his or her patients.

(c) The application and rendering by any individual, partnership, corporation, or other organization of a decision to terminate an employment or other contractual relationship with or otherwise penalize a health care practitioner principally for advocating for appropriate health care consistent with that degree of learning and skill ordinarily possessed by reputable health care practitioners with the same license or certification and practicing according to the applicable legal standard of care violates the public policy of this state.

(d) This section shall not be construed to prohibit a payer from making a determination not to pay for a particular medical treatment or service, or the services of a type of health care practitioner, or to prohibit a medical group, independent practice association, preferred provider organization,

foundation, hospital medical staff, hospital governing body acting pursuant to Section 809.05, or payer from enforcing reasonable peer review or utilization review protocols or determining whether a health care practitioner has complied with those protocols.

(e) (1) Except as provided in paragraph (2), appropriate health care in a hospital licensed pursuant to Section 1250 of the Health and Safety Code shall be defined by the appropriate hospital committee and approved by the hospital medical staff and the governing body, consistent with that degree of learning and skill ordinarily possessed by reputable health care practitioners with the same license or certification and practicing according to the applicable legal standard of care.

(2) To the extent the issue is under the jurisdiction of the medical staff and its committees, appropriate health care in a hospital licensed pursuant to Section 1250 of the Health and Safety Code shall be defined by the hospital medical staff and approved by the governing body, consistent with that degree of learning and skill ordinarily possessed by reputable health care practitioners with the same license or certification and practicing according to the applicable legal standard of care.

(f) Nothing in this section shall be construed to prohibit the governing body of a hospital from taking disciplinary actions against a health care practitioner as authorized by Sections 809.05, 809.4, and 809.5.

(g) Nothing in this section shall be construed to prohibit the appropriate licensing authority from taking disciplinary actions against a health care practitioner.

(h) For purposes of this section, "health care practitioner" means a person who is described in subdivision (f) of Section 900 and who is either (1) a licentiate as defined in Section 805, or (2) a party to a contract with a payer whose decision, policy, or practice is subject to the advocacy described in subdivision (b), or (3) an individual designated in a contract with a payer whose decision, policy, or practice is subject to the advocacy described in subdivision (b), where the individual is granted the right to appeal denials of payment or authorization for treatment under the contract.

(i) Nothing in this section shall be construed to revise or expand the scope of practice of any health care practitioner, or to revise or expand the types of health care practitioners who are authorized to obtain medical staff privileges or to submit claims for reimbursement to payers.

(j) The protections afforded health care practitioners by this section shall be in addition to the protections available under any other law of this state.

§ 511. (a) No subcontract between a physician and surgeon, physician and surgeon group, or other licensed health care practitioner who contracts with a health care service plan or health insurance carrier, and another physician and surgeon, physician and surgeon group, or licensed health care practitioner, shall contain any incentive plan that includes a specific payment made, in any type or form, to a physician and surgeon, physician and surgeon group, or other licensed health care practitioner as an inducement to deny, reduce, limit, or delay specific, medically necessary, and appropriate services covered under the contract with the health care service plan or health insurance carrier and provided with respect to a specific enrollee or groups of enrollees with similar medical conditions.

(b) Nothing in this section shall be construed to prohibit subcontracts that contain incentive plans that involve general payments such as capitation payments or shared risk agreements that are not tied to specific medical decisions involving specific enrollees or groups of enrollees with similar medical conditions.

§ 512. (a) Except as provided in subdivisions (b) and (c), no contract that is issued, amended, renewed, or delivered on or after January 1, 1999, between any person or entity, including, but not limited to, any group of physicians and surgeons, any medical group, any independent practice

association (IPA), or any preferred provider organization (PPO), and a health care provider shall contain provisions that prohibit, restrict, or limit the health care provider from advertising.

(b) Nothing in this section shall be construed to prohibit the establishment of reasonable guidelines in connection with the activities regulated pursuant to this division, including those to prevent advertising that is, in whole or in part, untrue, misleading, deceptive, or otherwise inconsistent with this division or the rules

and regulations promulgated thereunder. For advertisements mentioning a provider's participation in a plan or product line of any person or entity, nothing in this section shall be construed to prohibit requiring each advertisement to contain a disclaimer to the effect that the provider's services may be covered for some, but not all, plans or product lines of that person or entity, or that the person or entity may cover some, but not all, provider services.

(c) Nothing in this section is intended to prohibit provisions or agreements intended to protect service marks, trademarks, trade secrets, or other confidential information or property. If a health care provider participates on a provider panel or network as a result of a direct contractual arrangement with a person or entity, including, but not limited to, any group of physicians and surgeons, any medical group, any independent practice association, or any preferred provider organization, that, in turn, has entered into a direct contractual arrangement with another person or entity, pursuant to which enrollees, subscribers, insureds, and other beneficiaries of that other person or entity may receive covered services from the health care provider, then nothing in this section

is intended to prohibit reasonable provisions or agreements in the direct contractual arrangement between the health care provider and the person or entity that protect the name or trade name of the other person or entity or require that the health care provider obtain the consent of the person or entity prior to the use of the name or trade name of the person or entity in any advertising by the health care provider.

(d) Nothing in this section shall be construed to impair or impede the authority of any state department to regulate advertising, disclosure, or solicitation pursuant to this division.

§ 701. Each healing arts board referred to in this division shall issue, upon application and payment of the normal renewal fee, an inactive license or certificate to a current holder of an active license or certificate whose license or certificate is not suspended, revoked, or otherwise punitively restricted by that board.

As used in this article, "board" refers to any healing arts board, division, or examining committee which licenses or certifies health professionals.

§ 702. The holder of an inactive healing arts license or certificate issued pursuant to this article shall not engage in any activity for which an active license or certificate is required.

§ 703. An inactive healing arts license or certificate issued pursuant to this article shall be renewed during the same time period at which an active license or certificate is renewed. In order to renew a license or certificate issued pursuant to this article, the holder thereof need not comply with any continuing education requirement for renewal of an active license or certificate.

The renewal fee for a license or certificate in an active status shall apply also for renewal of a license or certificate in an inactive status.

§ 704. In order for the holder of an inactive license or certificate issued pursuant to this article to restore his or her license or certificate to an active status, the holder of an inactive license or certificate shall comply with all the following:

(a) Pay the renewal fee; provided, that the renewal fee shall be waived for a physician and surgeon who certifies to the Medical Board of California that license restoration is for the sole purpose of providing voluntary, unpaid service to a public agency, not-for-profit agency, institution, or corporation which provides medical services to indigent patients in medically underserved or critical-need population areas of the state.

(b) If the board requires completion of continuing education for renewers of an active license or certificate, complete continuing education equivalent to that required for a single license renewal period.

§ 710. It is the policy of the State of California that, consistent with high quality health care services, persons with skills, knowledge and experience obtained in the armed services of the United States should be permitted to apply such learning and contribute to the health manpower needs of the state at the maximum level of responsibility and skill for which they are qualified.

To this end, the rules and regulations of boards under this division shall provide for methods of evaluating education, training, and experience obtained in military service if such training is applicable to the requirements of that profession.

§ 716. Notwithstanding any other provision of law, a board under this division may deny issuance of a license to an applicant or take disciplinary action against the holder of a California license for acts or omissions committed by the applicant or licensee in the course of professional practice or rendering services described in Section 715 if both of the following apply:

(a) The acts or omissions committed by the applicant or licensee constituted grounds for denial or discipline pursuant to the laws of this state governing licensees or applicants for licensure for the profession or vocation in question.

(b) The acts or omissions constituting the basis for denial or discipline by the agency were not authorized, exempted or rendered inconsistent by federal statute.

§ 730.5. (a) It is unprofessional conduct and a crime, as provided in Section 4935, for a physician and surgeon, osteopathic physician, dentist, or podiatrist to direct or supervise the performance of acupuncture involving the application of a needle to the body of a human being by a person licensed under this division who is not licensed pursuant to the Acupuncture Licensure Act established by Chapter 12 (commencing with Section 4925).

(b) It is unprofessional conduct and a crime, as provided in Section 4935, for a person licensed under this division who is not licensed pursuant to the Acupuncture Licensure Act established by Chapter 12 (commencing with Section 4925) to perform acupuncture involving the application of a needle to the body of a human being at the direction or under the supervision of a physician and surgeon, osteopathic physician, dentist, or podiatrist.

§ 731. (a) Any person licensed, certified, registered, or otherwise subject to regulation pursuant to this division who engages in, or who aids or abets in, a violation of Section 266h, 266i, 315, 316, or 318 of, or subdivision (a) or (b) of Section 647 of, the Penal Code occurring in the work premises of, or work area under the direct professional supervision or control of, that person, shall be guilty of unprofessional conduct. The license, certification, or registration of that person shall be subject to denial, suspension,

or revocation by the appropriate regulatory entity under this division.

(b) In addition to any penalty provided under any other provision of law, a violation of subdivision (a) shall subject the person to a civil penalty in an amount not to exceed two thousand five hundred dollars (\$2,500) for the first offense, and not to exceed five thousand dollars (\$5,000) for each subsequent offense, which may be assessed and recovered in a civil action brought by any district attorney. If the action is brought by a district attorney, the penalty recovered shall be paid to the treasurer of the county in which the judgment was entered.

§ 851. A healing arts licensure board or examining committee may by regulation require an applicant for licensure or certification to meet the standards of a specified private voluntary association or professional society when either of the following conditions is met:

(a) There is direct statutory authority or requirement that the board or examining committee utilize the standards of the specified private voluntary association or professional society; or

(b) The board or examining committee specifies in the regulation the amount of education, training, experience, examinations, or other requirements of the private voluntary association or professional society, which standards shall be consistent with the provisions of law regulating such licensees, and the board or examining committee adopts such standards in public hearing. The board or examining committee may, by regulation, require an applicant to successfully complete an examination conducted by or created by a relevant national certification association, testing firm, private voluntary association, or professional society.

Nothing in this section authorizes the Medical Board of California to limit the licensure of physicians and surgeons by specialty.

§ 1000. The law governing practitioners of chiropractic is found in an initiative act entitled "An act prescribing the terms upon which licenses may be issued to practitioners of chiropractic, creating the State Board of Chiropractic Examiners and declaring its powers and duties, prescribing penalties for violation hereof, and repealing all acts and parts of acts inconsistent here with," adopted by the electors November 7, 1922.

The board may require the persons designated in this section to furnish such information as it may deem necessary to enable it to compile the directory. Every person so designated shall report immediately each and every change of residence, giving both his old and new address.

The directory shall be evidence of the right of the persons named in it to practice unless his certificate to practice chiropractic has been canceled, suspended or revoked. The board may collect from each person who voluntarily subscribes to or purchases a copy of the directory the cost of publication and distribution thereof; except that one copy of the directory shall be distributed without charge to each certificate holder of the board.

§ 1002. Whenever any person has engaged in or is about to engage in any acts or practices which constitute or will constitute an offense against the Chiropractic Act or its rules or regulations, the superior court of any county, on application of the State Board of Chiropractic Examiners, or on application of 10 or more persons licensed under the Chiropractic Act may issue an injunction or other appropriate order restraining that conduct. After the expiration of this 10-year period, an application for license reinstatement may be made pursuant to subdivision (c) of Section 10 of the Chiropractic Act.

§ 1004. The State Board of Chiropractic Examiners shall investigate any licensee against whom an information or indictment has been filed that alleges a violation of Section 550 of the Penal Code or Section 1871.4 of the Insurance Code, if the district attorney does not otherwise object to initiating an investigation.

§ 1005. The provisions of Sections 12.5, 23.9, 29.5, 30, 31, 35, 104, 114, 115, 119, 121, 121.5, 125, 125.6, 136, 137, 140, 141, 143, 163.5, 461, 462, 475, 480, 484, 485, 487, 489, 490, 490.5, 491, 494, 495, 496, 498, 499, 510, 511, 512, 701, 702, 703, 704, 710, 716, 730.5, 731, and 851 are applicable to persons licensed by the State Board of Chiropractic Examiners under the Chiropractic Act.

§ 1050. A chiropractic corporation is a corporation which is registered with the State Board of Chiropractic Examiners with reference to corporations rendering professional services as chiropractors and has a currently effective certificate of registration from the board pursuant to the Professional Corporation Act, as contained in Part 4 commencing with Section 13400) of Division 3 of Title 1 of the Corporations Code, and this article.
Subject to all applicable statutes, rules and regulations, such chiropractic corporation is entitled to practice chiropractic. With respect to a chiropractic corporation, the governmental agency referred to in the Professional Corporation Act is the State Board of Chiropractic Examiners with reference to corporations rendering professional services as chiropractors. As used in this article, the "board" refers to the State Board of Chiropractic Examiners.

§ 1051. An applicant for registration as a chiropractic corporation shall supply to the board all necessary and pertinent documents and information requested by the board concerning the applicant's plan of operations. The board may provide forms of application. If the board finds that the corporation is duly organized and existing pursuant to the General Corporation Law, that each officer as provided in Section 1055, director, shareholder and each employee who will render professional services is a licensed person as defined in the Professional Corporation Act, and that from the application it appears that the affairs of the corporation will be conducted in compliance with law and the rules and regulations of the board, the board shall upon payment of the registration fee in such amount as it may determine issue a certificate of registration.

§ 1053. Each chiropractic corporation shall file with the board a report containing such information relating to professional corporations as may be required by board regulations as well as information required by law. The fee for filing such a report shall be fixed by the board. All reports shall be signed and verified by an officer of the corporation.

§ 1056. The income of a chiropractic corporation attributable to professional services rendered while a shareholder is a disqualified person (as defined in the Professional Corporation Act) shall not in any manner accrue to the benefit of such shareholder or his shares in the chiropractic corporation.

§ 1057. A chiropractic corporation shall not do or fail to do any act the doing of which or the failure to do which would constitute unprofessional conduct under any statute, rule or regulation now or hereafter in effect. In the conduct of its practice, it shall observe and be bound by such statutes, rules and regulations to the same extent as a person holding a license under the Chiropractic Act. The board shall have the same powers of suspension, revocation and discipline against a chiropractic corporation as are now or hereafter authorized by the initiative measure mentioned in Section 1000 or by any other similar statute against individual licensees, provided, however, that proceedings against a chiropractic corporation shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the board shall have all the powers granted therein.
